### INTERNATIONAL WOMEN'S DAY!

We had a great day celebrating International Women's Day on the 8<sup>th</sup> of March. Year 3 to Year 9 spent the afternoon together in an assembly. A lot was learned – Year 3 taught us about some famous inventions by women, three Year 6 students read personal reflections about the holiday and its importance and Year 9 students

shared information about famous women and their achievements, as well as all about the history of the holiday. Two lovely piano pieces

were performed by Year 9 students Gonzalo Villegas Bermejo and Miguel Ángel Miranda Fernandez and an excellent performance of the poem "Phenomenal Women" by Maya Angelou was given by Year 9.

### EXCURSIONS

Year 8 had a great day exploring the Andy Warhol exhibition at the Caixa Forum in Madrid. They learned all about "el arte mecánico" and about the creative development of Andy Warhol as well as his life story; from his beginnings as a graphic designer in New York to his massive influence on the pop art world later in his career. It was a great exhibition and a very successful trip.

### PLAYGROUND UPDATES

The play area has been renovated and now features a brand new turf pitch. The kids have loved using it both during play time and during P.E. The basketball courts have also been repainted and look excellent. In addition, the smaller play area near the secondary building has been resurfaced with a special material designed for roller blading and inline skating!

Thanks for another great term!
